Hello! My name is Dennise Gypins and I am the new stylist for Daybreak. I have been a stylist since 2012. I currently own Tanglez Hair Design, a private salon studio in Frederick. I am passionate about my work and I am looking forward to serving my community by sprinkling my beauty magic to your loved ones. I will be available Tuesday and Friday, but I will try my best to accommodate any special appointment requests. Payment for services are required the same day. I take cash, check, credit cards (*on-site only*), or you may purchase a gift card on my website **Tanglezhairdesign.com**. You can also view photos of my work! Feel free to call or text me at **301-800-3200** for an appointment or questions. I am excited to welcome all my new guests to Tanglez at Daybreak!
